

Hawkins Water Treatment Group supplies products and equipment for treatment of drinking water, municipal water, municipal wastewater and more.

## PRODUCT SAMPLING

- Fluoride
- Sodium Hypochlorite (Bleach)
- Polymers
- Ferric Chloride
- Chlorine
- Caustic
- Hydrochloric Acid
- Aluminum Sulfate
- Phosphates
- Sodium Permanganate
- Wastewater Treatment Products
  - Flocculants
  - Coagulants
  - Specialty Surfactants
  - Biological Augmentation
  - And more

## EQUIPMENT

- Full line of new chemical injection pumps
- Assorted plumbing parts for installation
- Various new chemical metering and measurement units and sight-glasses
- Assorted sizes of bulk chemical storage tanks
- Control and monitoring systems
- Safety equipment
- Testing equipment
- Spill containment systems

***Delivering the chemicals,  
equipment and quality service  
you're looking for.***

## Your Business Is Appreciated

*Our Technical Sales Representatives strive to provide you with the best service possible. We go the extra mile – whether it's helping you with chemical dosage questions, chemical metering system analysis, or handling on-the-spot service of chemical metering equipment, you can be assured that your water treatment needs will be met.*

## Featured Product Lift Station Treatment Program Eliminate FOG

***SOLIDS, FOG and ODOR treatment  
designed specifically for your needs.***

SERVING CUSTOMERS SINCE 1938

## Innovation and Specialized Service by Industry Experts for your Individualized Treatment Program

**Sample + Analyze = Custom treatment designed specifically for your facility**

*Treatment recommendations are verified by our WatSim program. WatSim (Water Simulation) laboratory analysis provides a more complete picture of problems and potential problems confronting a water treater. You'll get a custom water disinfection program based on the WatSim source water profile.*

**With Hawkins utilizing WatSim data you get:**

- A specific, customized solution to ensure that an accurate water treatment is applied
- Hawkins will install the right equipment and provide the proper chemicals
- Hawkins will provide support and assistance with field adjustments to ensure your customized water treatment program is running smoothly

Over 98% of the water treatment chemicals we provide are made in the USA.

**Our state-of-the-art manufacturing practices allow us to produce the highest quality products in the water treatment industry.**

- Hawkins manufactures Sodium Hypochlorite daily for water treatment.
- Hawkins provides Processed Fluoride.
- Hawkins manufactures phosphates for potable water

### Delivering the quality service you're looking for:

- Our drivers are skilled technicians trained to provide on-the-spot service with the **ability to troubleshoot and repair chemical feed equipment in the field.**
- We have an inventory of parts and loaner feed equipment available on our delivery trucks if needed.
- Hawkins and your Sales/Service Representative are available **24 hours a day, 365 days a year** to meet your needs. Hawkins has and will continue to aid customers with emergencies that could occur.

## Your Complete Local Water Treatment Distributor

### Potable Water:

- Chlorine
- Hypochlorite
- Potassium Permanganate
- Iron and Manganese Precipitation Aids
- Lead and Copper Corrosion Inhibitors
- Scale Inhibitors
- Chlorine Dioxide
- Chloramination
- Sodium Permanganate

### Wastewater:

- Aqua Hawk Settling Aids
- Phosphorus Removal
- Disinfection Chemicals
- Sludge Reduction
- Aqua Hawk Dewatering Polymers
- Biological Nutrients/Augmentation Aids
- Odor Control
- Antifoams
- Dechlorination Chemicals

### Corrosion Inhibitors

### Raw Water Clarification:

- Aqua Hawk Coagulants
- Filter Aids
- Aqua Hawk Flocculants
- TOC Reduction

### Lime Softening:

- Hydrated Lime
- Soda Ash
- Aqua Hawk Coagulants
- Lime Slurry Scale Control
- Quick Lime
- Recarbonation
- Aqua Hawk Flocculants
- Sludge Dewatering Aids

### Swimming Pool:

- Chemical Control Systems
- Hypochlorite
- Caustic
- Calcium Hypochlorite Tablets
- Tablet Feed Systems
- PH Control
- Soda Ash
- Clarification Aids
- Soda Ash

### Collection Systems:

- Lift Station Grease Control
- Lagoon Treatments
- Odor Control

**Potable Drinking Water Treatment, Wastewater Treatment, and more!**
