

Hawkins, Inc. Continues to Expand Water Treatment Footprint, Adds New Location in Delmar, Delaware

ROSEVILLE, Minn., Oct. 10, 2022 (GLOBE NEWSWIRE) -- Hawkins, Inc. (Nasdaq: HWKN), a leading specialty chemical and ingredients company, today announced that it has extended the footprint of its Water Treatment Group into Delaware. With this new location, Hawkins now has 39 Water Treatment facilities in 23 states.

"We have aggressively grown the footprint of our water treatment group over the last three years with multiple acquisitions and new greenfield locations," said Patrick H. Hawkins, Chief Executive Officer and President. "The organic and expansion growth contributed to top-line water treatment group revenue growth of 34% in fiscal 2022 and a 15% compounded annual growth rate over the last three years. We expect to continue to expand this business profitably in future years through organic growth as well as acquisitions."
